SGSY - Sampoorna Gramin Rozgar Yojana

N/R - Not Reported

Statement II

A. The criteria for allocation of funds to States under major Rural Development Programmes

Sl. No.	Name of the Programme/ Scheme	Criteria for Allocation
1.	Sampoorna Gramin Rozgar Yojana (SGRY)	The funds and Foodgrains would be allocated to the States/UTs on the basis of proportion of rural poor in a State to the total rural poor in the country as per the estimates prepared by Planning Commission on the basis of results of National Sample Survey Organization (NSSO) survey.
2.	Swarnjayanti Gram Swarozgar Yojana (SGSY)	The Central allocation earmarked for the States will be distributed in relation to the incidence of poverty in the States.
3.	Indira Awaas Yojana (IAY)	Central assistance to the States will be allocated on the basis of poverty ratio and housing shortage, with each of these variables being given equal weightage. The poverty ratios prepared by the Planning Commission are used for this purpose, while housing shortage is determined on the basis of last Census.

B. Norms of Releases made to States under poverty alleviation schemes :

(a) Funds are release under different poverty alleviation schemes to the States in two instalments. The second instalment of funds is released only when the State/district has utilized 60% of the funds available with it under the programme. The first instalment is released automatically without insisting on proposal if the implementing Agency has taken the second instalment in the previous year without any condition.

(b) Audit Reports and Utilization Certificates are insisted upon while processing the proposals for release of funds.

(c) The cuts are imposed on the funds to be released to the States if proposals for second instalment are received late after December. If the proposals are received in January, 10% cut on the second instalment is effected. If the proposals are received in February, the cut is 20% and if the proposals are received in March, the cut is 30%.

(d) The carry over limit of funds from one year to another is 15% of the total allocation during the year.
